Focus of 2021 – bridging into new Strategy

For 2021 we defined three prioritized areas that serve as the foundation of our annual strategy.

These areas are tied to the Agenda 2030 Goals that we see are being impacted the most and best align with our business, our mission and our goals.

Each focus area has KPI:s to make the them more tangible and actionable.

Focus areas

1. Connecting society across the Nordics
